## PRESIDENT’S MESSAGE

Our Community Service work days were very successful. We created a very efficient production line completing over 20 kits and cutting fabric for many, many more. Many thanks to all that participated. Kits will be available at the general meeting for those who would like to make a charity quilt at home and bring it back in a month or two.

We have had some personnel changes. Kathy Kland and I are the Co-Chairs for the quilt show. Due to health reasons, Sylvia Kenyon has resigned as V.P. in charge of programs but will be doing more sewing at home for the charity quilts. The Programs for September through November have yet to be planned. Rita and I are filling in as Education chair and Dianna Noble has volunteered to be the Block of the Month chair.

We are looking into the possibility of having a quilt show in 2011 rather than 2012. Decisions should be made within the next few weeks. As projects go forward we will have signup sheets available to support our guild in a variety of ways. Please be generous with your time and skills. A suggestion box will be available for program and class interests. This is our guild and our input will help lead to its success.

Keep selling those drawing tickets! If you can’t sell the tickets you can always purchase them yourself. The pack of 20 tickets translates into only \$17 (18 @6 for \$5 and the remaining 2 @ \$1 ea). You can even come back for more tickets to sell.

Spring is here, so let’s get quilting!

Diane Beard  
President
